SUBJECT: Final Adoption of LSA Document #09-6
Public and Semi-Public Pool and Spa Rule – 410 IAC 6-2.1

The Indiana State Department of Health (ISDH) Commission of Public Health and Preparedness respectfully requests the Executive Board, at the Board's May 12, 2010 meeting, finally adopt this proposed rule that amends 410 IAC 6-2.1.

The rule adds and updates definitions, updates and clarifies agency requirements pertaining to the maintenance and operation of public and semi-public pools and spas and adds tourist home requirements.

The Notice of Intent to Adopt a Rule was published on the Indiana Register on January 14, 2009, starting the one year period in which to adopt this rule. An AROC notice was filed extending the rulemaking for one additional year. The proposed rule was preliminarily adopted by the Executive Board at the March 11, 2009 meeting. Although minor changes have been made based on public comments, the rule has not substantively changed.
